STREET SURVIVAL 2021

This class has saved thousands of lives and it could save yours!

As the industry leader in researching and educating officers in the most current and critical issues impacting professional effectiveness, street tactics, safety, health and wellness. Street Survival is the most foundationally critical course ever developed—the class that literally revolutionized law enforcement training.

Packed with compelling visuals and riveting real-world examples, this course—taught by a world class team of experienced instructors—covers the full range of issues associated with the 24/7/365 lifestyle of today's law enforcement professional, from a broad range of topics related to physical and emotional survival to on- and off-duty issues, vehicular threats and a variety of tactical considerations.

Focusing on...

- **Confronting Dynamics; physical, verbal and psychological**
- **Is stress impacting your performance more than you know?**
- **Exploring the "Fatal Four" Zones of Risk**
- **Roadside risks and practical strategies for safe performance on roadways.**
- **A Modern Perspective for Peace Officers in the Post George Floyd Era**
- **Reading People: Detecting Danger Cues & PreAttack**
- **The Role of Civilian Peace Officers as Guardians of Democracy**
- **Street Survival Tactics: When you have to go hands on**
- **National Use of Force Statistics**
- **Approach Tactics: People, Vehicles, Buildings**
- **Tactics for Criminal Patrol; increasing your effectiveness in surfacing all types of contraband.**
- **Physical & Emotional Health Statistics: Realities & Solutions**
