EXCELLING AS A FEMALE LEADER

Being a female leader in a male dominated profession has its own distinct sets of challenges and being a female leader in today's climate has created more unique obstacles than ever before.

Women in Command 2021 will focus on assisting women in becoming more effective leaders in both your organization and the community. Female leaders have unique ideas, insight and solutions. We will discuss the need for more gender diversity in order to solve the problems in their communities at large.

This 2-Day Program is designed to help leaders maintain a professional, positive and inspiring climate, this program will offer examples of the traits and skill sets of proven, successful leaders and accomplished agencies.

Over the course of this interactive program, we will engage in lively discussions in an open forum populated by current and future women law enforcement leaders.

Topics we'll cover include:

- **The Principles of Effective Leadership**
- **Creating and Maintaining Effective Organizational Culture**
- **Leading in Today's Unique Climate**
- **Learning from Successful Female Leaders**
- **Diversity in Leadership: Decision Making and Problem Solving**
- **Leadership Qualities Unique to Women**
- **The Promotional Process**
- **Supervising other Woman**
- **Mentoring**
- **Managing Problem Employees**
- **Building Your Credibility**
