Never before has there been such a strain on the profession.

Never before has the profession been more in jeopardy.

Never before has there been a need for leaders to create and maintain positive, motivational culture.

ARE YOU THE LEADER FOR 2023 AND BEYOND?

Nearly every aspect of your leadership style affects the overall culture of your organization. Now more than ever our officers need leaders that are focused on creating, cultivating and maintaining a positive and motivating environment. This course will discuss how to recognize your own strengths and weaknesses, how to combat becoming a victim of the current, negative culture.

Using current events and recent incidents, this course will offer tools to embrace values that include, trust, empowerment and recognition of the individual as the most valuable resource they have.

During this 6-hour live-online and interactive training program we will discuss the following:

- ✓ **Overcoming Bureaucracy: The Most Significant Obstacle to Success**
- ✓ **Human Behavior: Knowing and Mastering**
- ✓ **Emotional Intelligence for Employee Motivation**
- ✓ **Leadership, Culture & Today's Environment**
- ✓ **Make Them Want to Follow You**
- ✓ **Drive: What Actually Motivates People?**
- ✓ **The Research & The Stats: What You Need to Know**
- ✓ **What are You Actually Communicating to Your Officers?**
- ✓ **Peter Drucker: Finding Their Talents**
